

## **Our client**

Our client employs 39,500 people in 27 countries and supplies 56,000 pharmacies and millions of patients worldwide and owns 2800 pharmacies itself. The company is not only the market leader in the pharmaceutical trade in Germany, but also the European leading pharmaceutical trader and integrated healthcare provider. Experience an important and equally diverse job with our client, in which you can proactively master challenges, implement ideas and drive change.

During further development, an internal consulting team will be set up. To strategic initiatives and further develop the market position, we are looking for a

## **Senior Project Lead (m/w/d) – Strategic Initiatives**
